

PAIGE

The Standard of Value and Quality

The Story of Two Shows

It is a short story—an amazing story.

A MILLION DOLLARS worth of Paige cars were sold at the New York and Chicago Automobile Shows.

At the New York Show 51 cars were sold at retail—alone.

At the Chicago Show one Paige dealer alone sold 263 Paige cars. Of these 93 were retail orders.

To the best of our knowledge that establishes a sales record and an overwhelming popular endorsement unique in the history of the motor car industry.

This Is The Explanation

The discriminating motoring public attended those two Shows—the biggest and most important Shows of the season. They had an opportunity to see all American cars of all makes—"Fours," "Sixes," and "Eights." Then they did just what we have urged the American public to do—Compared them all with the Paige—and they did the inevitable thing. They came back and bought the Paige. It was all there before them at New York and Chicago—the whole American motor car market.

They saw "Sixes" of lower price, equal price and higher price than the Paige "Six-46." But they—evidently—saw no "Six" that combined the beauty, roominess, flexibility and power of the Paige "Six," with such features as Cadillac springs, Gray & Davis lighting and starting system, Bosch magneto, Rayfield carburetor, Paige-Continental 3 1/2 x 5 1/4 motor, multiple disc cork insert clutch—unsurpassed quality throughout—and the record-breaking price—\$1395.

They saw "Fours" of lower price, equal price and higher price than the Paige Glenwood "Four-36."

But they—evidently—saw no "Four" that combined the same number of high-grade features, dollar for dollar value—as the Glenwood "Four-36"—at the unprecedented new price—\$1075.

That is why a million dollars' worth of Paiges were sold at the New York and Chicago Shows.

Is this or is this not overwhelming Proof of Paige Leadership?

To You This Secret We Confide
Improve Your Hair With
HERPICIDE

The value of Newbro's Herpicide for saving and beautifying the hair is a secret known to thousands. More men and women probably have obtained positive results from the intelligent use of Herpicide than from all other hair remedies combined.

In the majority of cases it is dandruff contagion that makes the hair dull, brittle and lusterless, followed later in many instances with white, scaly deposits, itching scalp and falling hair. Newbro's Herpicide eradicates this enemy of beauty and (except in cases of chronic baldness) enables the hair to resume its natural luster and luxuriance.

Discriminating persons speak of Newbro's Herpicide in the highest terms for its almost magical effect upon the scalp and also for its excellence as a regular hair dressing. Just begin the use of Herpicide without anyone's knowledge and see how quickly your friends will notice the improvement in your hair.

Send 10 cents in postage or silver to The Herpicide Co., Dept. 120-B, Detroit, Michigan, for trial bottle and booklet. Sold and guaranteed at all toilet goods counters. Accept only genuine Herpicide. Applications at the better barber shops.

"MAN WITHOUT COUNTRY"

[ASSOCIATED PRESS DISPATCH] BOSTON, Feb. 20.—Frederick Taylor, who has been held at the immigration station since he was deported from England as an alien—my four months ago and who claims to be an American citizen, was born at San Francisco, and may become another "man without a country."

He is en route back to England on board the steamer Pretorian, bound for Glasgow, and will be guarded by the ship's officers until British authorities act further in his case. The officers of the Pretorian expressed doubt whether Taylor would be permitted to land in England and feared they might be forced to keep him on board.
